DURING EVENT - POLICIES

Events and meetings held by members, outside groups and non-tenants on the 3rd Floor at the 500 W 5th Street building are self-directed and self-managed.

Organizations and individuals reserving the 3F meeting spaces assume all responsibility for damages to the equipment and rooms.

The 3rd Floor is a professional office environment, so consideration of floor tenants and other groups using the 3F Meeting Spaces should be observed in regards to presentation and conversation noise levels.

Groups reserving the 3F Meeting Spaces have the responsibility to meet all rental delivery, catering delivery and floral delivery representatives and for setting up in the respective rooms.

DURING EVENT - KITCHEN

For groups reserving the Event Space & Kitchen, ordering and managing all catering is the responsibility of your group. There is not a list of preferred caterers for meeting spaces. You are free to bring in coffee service or there is a dual Keurig Coffee Maker in the Kitchen that is available to use - please bring in Keurig Cups for single servings or pre-ground coffee if you want to brew coffee using the 12-cup carafe.

Kitchen supplies are limited, so also bring in any paper goods, cups, creamers/sugar/etc. that you will require for your event.

Refrigerator space, a microwave and a warming drawer are available to groups reserving the Event & Kitchen Space.

Cleaning supplies and paper towels are available under the Kitchen sink.

Please inform staff or the Security Team at the Front Desk (336.929.1318) about any food or drink spills that occur in the meeting spaces so the Maintenance Team can be notified to prevent carpet and floor stains.

Any trash that overflows the kitchen bins must be taken out to the downstairs trash area in the loading dock.

AFTER EVENT - CLEAN UP

Remove all sticky easel paper from the walls and wipe whiteboards clean after your meeting is concluded so that your confidential information does not remain in the space. Please only use Dry Erase markers - permanent markers are not allowed on the whiteboards.

All setup, breakdown and clean up are the sole responsibility of the group or organization reserving the space on the 3rd Floor and the meeting spaces should remain in “as new” condition.

In regards to room layout and setup, please leave the 3F Meeting Spaces in a clean and orderly condition, with chairs reset/straightened and tables returned to their original configuration.

All A/V equipment must be powered off at the completion of the meeting or event. Failure to do so may result in additional equipment usage/damage fees.
